

DUBBO REGIONAL AIRPORT

CRANE PERMIT APPLICATION

Please complete this form to apply for a Crane Permit from Dubbo Regional Airport. Under the Airports (Protection of Airspace) Regulations, any activity that infringes an airport's protected airspace is a Controlled Activity, which requires approval before commencement.

For further clarification please call the Aerodrome Reporting Officer on 0417 717 871.

Assessments will take a minimum of 3 working days, however due to the complexity of some applications and other agencies that may need to be involved, advance notice of 4-6 weeks may be required. To prevent any delay in processing ensure all the below information is completed accurately.

In addition to the below application, an Airservices Development Application Submission Form DEVELOPMENT APPLICATION SUBMISSION FORM (airservicesaustralia.com) must be completed and sent to airport.developments@airservicesaustralia.com. Please copy airport@dubbo.nsw.gov.au into the email.

All completed assessments are forwarded to Civil Aviation Safety Authority (CASA) for approval, who may impose additional conditions to meet safety requirements.
